Schlesinger's view: enlarge IC Staff, composed of reps
 in proportion to resources (modified)
 -People detailed for fixed periods with place to return
 -30-35 people for DoD (civ & mil)
 -Skill and background important rather than reps.
 -Mainly GS-13's and Majors)

Size-ceiling--60 professionals: total 100 in about a year
 Military reimbursable, Civilians unknown

Organization--groups

Comptroller--

Product Review-Danny Graham

Program Evaluation--(cross program)

Net Assessment--no people yet--to insure that technique
 and methodology provide sensitivity tests for
 changing in intelligence resources and programs
 .IC will not do any net assessments

Product review mainly NSCIC WG--feedback on product

Controller--vertical by intel program

CIA People: IC Staff now writing job descriptions

Allen philosophy: NSCIC WG--Product review group
 policy issues; Intelligence Objectives statement
 --Resource management: Program Evaluation Group
 USIB; Requirements and Priorities for existing
 assets--to construct collection strategies,
 and based on cross-program problems
 Comptroller assures resources for above.
